CHILD ABUSE SAFETY FORM

January 2016

As a volunteer at Grace Temple Assembly of God Church, I understand that child and youth sex abuse is a problem in our society. As a volunteer I understand how critical it is that I remain vigilant and aware when children are present in our services.

I want to do my part to protect all children that are under our care.

**I have viewed the video titled:
“Preventing Youth and Child Sex Abuse”**

This video was provided by Church Mutual Insurance Company as part of the Grace Temple Assembly of God’s Risk and Due Diligence program.
